### SUNLAMPS AND SOLARIA

Natural sunlight emits ultra-violet and infra-red rays which are reproduced in sunlamps.

#### Ultra-Violet Radiation

**UVA**—(Direct tanning). Tanning is caused by oxidation of pigment already in the skin. Your skin does not turn red but takes longer to tan than by UVB. **UVB**—(Indirect tanning). UVB produces a tan by creating new pigment in the skin. There is slight reddening of the skin which disappears and a tan remains. This method provides protection against strong sunlight and is faster than UVA.

**Infra-Red Radiation (IR)**. Infra-red rays penetrate the skin and relax aching muscles and other conditions.

#### 1. Philips HP.3127 Compact Solarium (UVA).

## Simple, modern discount shopping

### Buying is Easy

#### SELECTION DESK

Check what you want from the Master Catalogue at the Selection Desk in the Showroom.

Fill in the Selection Form—catalogue number and quantity.

#### SERVICE

Take your completed Form to the point marked 'Service'. Our staff will be pleased to help if you need assistance. Your purchases come from the stockroom while you make payment. Simply take them home — it's as easy as that.

### Ways to Pay

You may purchase using cash, Argos Gift Vouchers or cheques (cheques up to £50 are accepted immediately if accompanied by a Banker's Card).

#### NO DEPOSIT CREDIT TERMS

Alternatively you may wish to use No Deposit Credit Terms. Apply at any showroom to open an Argos Budget Account.

Credit available up to 24 times your monthly repayment. For example, a monthly repayment of £10 gives you credit of £240. Interest of 2.25% of the balance outstanding will be charged to your account each month.

A.P.R. 30.6% (Banker's Order/National Giro Order repayment)

A.P.R. for alternative methods of repayment 38.4%

(Interest rates quoted correct as at 1st December 1981 but may vary. The current rates are available from any Argos showroom)

Access and Barclaycard are welcomed in all our showrooms.

### No Hidden Extras

Argos prices already include VAT so there are no 'Hidden' extra costs to pay. Because our prices are low you pay less VAT.

Our trading policy is to provide you with big savings on everything we sell, but in the event of changes in the rate of VAT, or for any other reason beyond our control, we may have to make adjustments, so please check the Master Catalogue, in your Argos Showroom.

### Our Pricing Policy

The Argos prices shown in this catalogue are generally compared with Recommended Retail Prices provided by our suppliers. Where Recommended Retail Prices are not available at the time of going to press, they have, where possible, provided Suggested Retail Prices.

All sizes, weights and capacities are approximate. It is possible that descriptions may have changed if the supplier, for instance, has altered his specifications or that there has been a change of the supplier after the catalogue has gone to press.

#### FULL SATISFACTION OR MONEY BACK

### Guarantee

In addition to your rights as a customer and any guarantee supplied with your purchase by the manufacturer, Argos also offer you a Full Satisfaction or Money-Back Guarantee.

This extra guarantee means that should you buy something and then decide it's not suitable, provided you return it unused within 14 days of purchase we will provide an exchange or refund.

Simply replace the item in the original carton or wrapping and return it to us with your receipt. We want you to be entirely satisfied with every purchase you make at Argos.

This catalogue, effective from 8th February 1982, supersedes all previous catalogues or brochures and remains in effect until further notice. Prices stated in the catalogue were established during December 1981. Information is compiled with all possible care, but the publishers do not hold themselves responsible for errors or omissions.

### Origin Marking

All items illustrated in this catalogue which are covered by the Trade Descriptions (Origin Marking) (Miscellaneous Goods) Order 1981 will be marked with or accompanied by an indication of country of origin.

### Gift Vouchers As Incentives

As well as being ideal as presents for all occasions, Argos Gift Vouchers make attractive prizes for staff incentive and safety schemes.

They have the advantage of simplicity and acceptability — plus a ready-made catalogue of high quality, with famous-name products at discount prices. They can be used at any one of the Argos showrooms throughout the country. In addition to the £1, £2 and £5 vouchers sold in our showrooms we can supply you with £10 and £25 denominations and you may qualify for a cash rebate on bulk orders.

If you are planning an incentive scheme, our Incentive Sales Department will be happy to discuss your requirements — just ring 01-951 1363 ext. 57
